

Service Terms and Conditions

1. Introduction

- These terms and conditions apply to services offered by xPr0s3k – Cybersecurity - Filip Wałęga, hereinafter referred to as the “Provider”.
- By using the services of the Provider, the Client agrees to the terms contained in this document.

2. Scope of Services

- The Provider offers the following services:
 - Digital security education: 100 PLN per session.
 - Penetration testing (Pentests): 1000 PLN per test.
 - Configuration of secure web services: 500 PLN per service.

3. Service Provision Conditions

- All services will be provided remotely unless otherwise agreed by both parties.
- The Provider reserves the right to refuse service if the Client's request is illegal or against professional ethics.
- The time frame for service delivery will be individually agreed upon with the Client.

4. Payments

- Payment for services must be made in advance unless otherwise agreed upon.
- Payments can be made via bank transfer, PayPal, or other agreed-upon methods.
- In the case of donations, any amount given to the Provider is voluntary and non-refundable.

5. Privacy and Security Policy

- The Provider commits to keeping all information obtained during the provision of services confidential.
- All personal data will be processed in accordance with applicable data protection regulations.

6. Final Provisions

- The Provider reserves the right to modify these terms and conditions. The current version of the terms and conditions will always be available on the Provider's website.
- Any disputes arising from these terms and conditions will be settled by the competent judicial authorities.
